

**The Temple- Tifereth Israel Early Learning Center, Ganon Gil**  
**Photo Release Form**

As part of our program, we routinely take pictures of the children engaging in classroom activities and special programs. These pictures are used for classroom displays, homemade books, and other educational purposes. In addition, there are opportunities when we might want to share specific photos with the Temple membership, social media or the local community.

We are asking your permission to use photos of your child(ren) in newspapers, the Temple bulletin, news releases, magazine articles, the Temple website, social media, brochures, or other publications that might be released to the general public for publicity and/or recognition purposes relating to Ganon Gil Preschool or The Temple.

Please complete below to either grant us permission or to decline permission for us to use a photograph of your child.
