 ENGAGEMENT
 TZEDAKAH

Here at The Temple, we strive to offer experiences and opportunities that match each of our member's interests and needs.

That is really what the heart of the All In Campaign is all about. Whether you are school-age, a college student, young professional, new family, recent empty nester, or part of our older generation community, the All In Campaign will continue to allow us to meet the needs of all our members.

CONNECTION

TZEDAKAH

"In Judaism, we are taught that humanity must play an active role in the world. The concept of tikkun olam - repairing the world - expresses the value of volunteering. Our world may be imperfect, but as Temple members we have an opportunity to inspire and engage together in volunteer initiatives to help make life better."

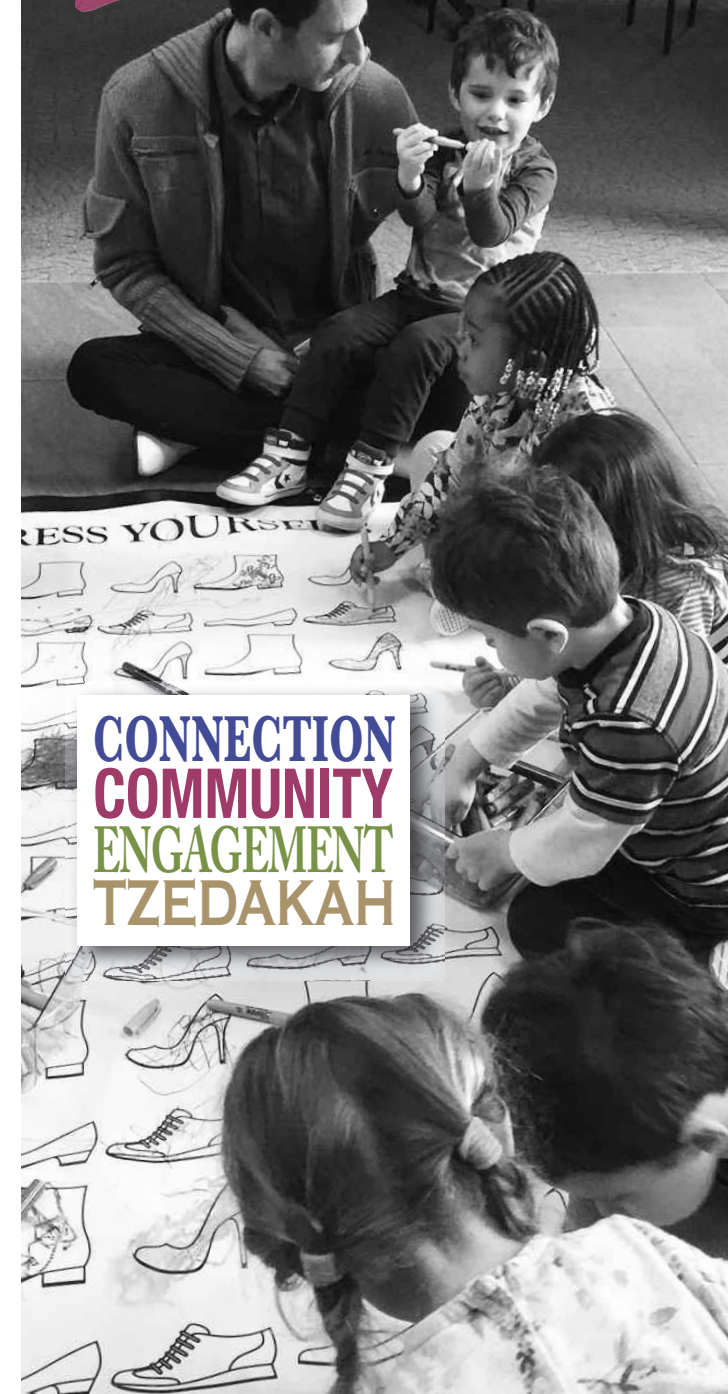

– Faith Schaffer, Social Action Chair

 ENGAGEMENT
 TZEDAKAH

With your contribution to the All In Campaign, we will continue to offer all of the programs you have come to know and love, all while enhancing and strengthening what we offer. We are excited to continue to enrich every member of our Temple community and encourage you to participate with us. Why? Because this is YOUR Temple and YOUR community.

We will continue to engage you with our unique worship and programming including our Rock My Soul and Thank God It's Shabbat services, Kabbalat Shabbat, Tot Shabbat program, The Temple Learning Center, Adult Education, and Torah Study.

We will continue to connect to you through College Connection mailings, The Temple Annual Picnic, new member gatherings and lifecycle events led by our outstanding clergy.

COMMUNITY

“The Temple is something so special and it has encouraged and inspired me to help spread Tikkun Olam and to do Mitzvot for my surrounding community of Jews and even non-Jewish people. The Jewish future is looking very bright, and I am so honored to be a congregant of the historic and thriving Temple-Tifereth Israel.”

– Joe Spero, Temple Teen

“My grandchildren are thriving in the daycare and preschool programs as third generation Ganon Gil students. The acceptance of each of the students’ differing personalities, and learning how to enhance them in a positive way, is a tribute to the teaching skills of the staff.”

– Audrey Bergrin, Ganon Gil Mom

ENGAGEMENT

We will continue to provide a sense of community for you through Ganon Gil, NFTY, the Temple Arts Program and The Temple Museum, Temple Women’s Association and Brotherhood.

And we will continue to give tzedakah through our Social Action Committee and our volunteer outreach efforts throughout the Cleveland area.

Thank you for your support of this year’s campaign and for being vital to the growth of The Temple community.
