

How to access Live Streaming at The Temple-Tifereth Israel

Go to this direct link: bit.ly/tttlivestreaming

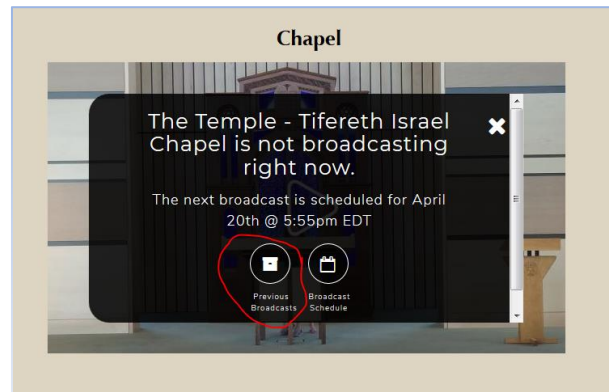

Or go to our website: www.ttti.org and on the Home page you can find a link to the Live Streaming page on the right-hand menu below or follow the Main menu path Worship > Live Streaming Home Page:

Either path will get you to the page below. There are several Live Streaming portals on this page—the Chapel, the Sanctuary, and the Hartzmark. You will see a button in the center of the portal (Circled in Red). Press that button to see a live event.

When there is not a live event streaming you will be able to choose archived videos. This is a good way to test out the streaming service before the actual event! Keep in mind that archived videos are stored under the portal for the room where they happened (UC archives are under the Chapel viewer).
