

## SKYPE HEBREW 2019-2020

Dear Families,

We are delighted that you have chosen to participate in our Skype Hebrew Program. Students will attend Shabbaton or Sunday Learning with their peers. Midweek they will have a one-on-one Hebrew learning session for 20 minutes, with an experienced Hebrew teacher. The Skype learning experience will take place at the same time each week that we are in session.

**Former Skype participants have priority to select a Skype time/ instructor starting July 10th  
New participants to the Skype program will be given access to the Skype Google Doc July 15<sup>th</sup>**

**These are the expectations for the tutoring session:**

- Student will have a quiet area, free of interruptions, for 20 minutes of concentrated learning.
- Skype should be on a computer not on a cellphone.
- Hebrew materials (textbooks or folders) will be provided for students to keep at home.
- Students should have their Hebrew materials and a pencil ready to use at their exact start time to maximize learning time.
- If you are late for your Skype appointment, your session will still need to conclude at the regularly scheduled time so your teacher is ready for the next student.
- The learning should be between the student and the Hebrew teacher. Parents are always welcome to observe, but siblings or friends should not be part of the session.
- Please avoid eating, drinking, and chewing gum during the Skype Hebrew session since we have such limited time.

I will be your liaison for the Skype Hebrew Program. If you have any questions, comments or concerns, please feel free to contact me at [ggrischkan@tti.org](mailto:ggrischkan@tti.org) or 216-455-1706.

We are looking forward to seeing you in September!

Gloria Grischkan
