JOIN US FOR THESE SPECIAL SHABBAT SERVICES

Friday, November 8 at 6:00 PM
Join us as we commemorate Kristallnacht together on November 8. This year, we will partner with friends from the St. Gregory of Narek Armenian Church. Our joint service will commemorate both Kristallnacht and the precursors to the Armenian genocide – precursors that included the expression of religious hatred in the Ottoman Empire in November of 1914. We will redouble our efforts to educate our friends and neighbors about the Holocaust and deepen our appreciation for its context, devastating implications, and for the continued impact of antisemitism.

Friday, December 6 at 6:00 PM
Join us for a special Shabbat service honoring all veterans of the United States Armed Forces. Our services include a special ceremony of recognition for our veterans and late veterans. You can share that information with us by visiting bit.ly/qttiveteraninfopage. This link will also give you the opportunity to let us know if you will be joining us.

FROM THE RABBI’S STUDY

Now that we have experienced Rosh Hashanah and Yom Kippur together, and following our celebrations of Sukkot, the completion of another cycle of the reading of our Torah and the start of a new cycle of readings, I reiterate my wishes for a good, healthy, fulfilling year to all of you and yours. Celebrating the High Holy Days together this year, in community, was a precious gift. Seeing so many of you and sensing the energy of a fresh start fill me and my family with both gratitude and passion for our community. We are fortunate to be among you and to share in the mission of advancing our brand of Judaism and values. As this period of Tishrei (the first month of the Jewish calendar) comes to an end, we can look forward to many more opportunities to worship, celebrate, learn, engage, and build community together.

As always, our Jewish mission is anchored in a clear, candid understanding of the world we inhabit. As you know, on November 4th of this year we will mark the 40th anniversary of the unfolding of the hostage crisis in Iran. Following the Islamic revolution there, a group of hundreds of radicalized “university students” stormed the United States Embassy in Tehran and took fifty two American diplomats and citizens hostage. A number of the hostages would only be liberated approximately fifteen months later. The eruption of this hostage crisis caused the immediate resignation of Iranian Prime Minister Bazargan and his cabinet, signaling a growing hostility towards the West, in general, and the United States, in particular. Since then, the events of November 4th, 1979 have marked the start of a new chapter in the relationship between the Shiite-clergy leadership of Iran and the world. This day also serves as a reminder of the kind of hostility and violence that certain forms of religion, especially when mixed with politics, can promote in human lives. To us, the recollection of this day and its events should serve as yet another echo of the shofar call – it must strengthen us in our resolve to advance our enlightenment-based, open, accepting, and bridge-building brand of Judaism. Our world demands it.

With this historical marker and others in mind, we are in the midst of preparations toward our Kristallnacht commemoration that will take place on November 8th. This year, our commemoration will include our friends from St. Gregory of Narek Church – the only Armenian parish in the Cleveland area. Our joint service will commemorate both Kristallnacht and the precursors to the Armenian genocide – precursors that included the expression of religious hatred in the Ottoman Empire in November of 1914. We will redouble our efforts to educate our friends and neighbors about the Holocaust and deepen our appreciation for its context, devastating implications, and for the continued impact of antisemitism. Our joint commemoration of Kristallnacht will be especially meaningful because Hitler specifically cited the Armenian genocide as a precedent for the Holocaust. We will continue to build bridges of understanding and common purpose and fight antisemitism, as well as other forms of hatred and prejudice. We hope that you will join us in force for this important event.

Later in November our focus will turn to the potential for progress and for the gradual unfolding of justice in our lives. Together we will recall that one hundred years ago, women did not yet have the right to cast a vote in this country, and that in 1919-1920 this wrong was made right. Along with Havdalah on November 16, we will engage in learning about women’s long struggle for equality and celebrate women’s leadership in religious and civic life. This event will offer us the opportunity to consider both our heritage and the work that remains to be done for us to pave a path of fairness and enable all members of our greater community to realize their potentials and, in turn, strengthen us.

In summary, we are ready for a Jewish year of meaningful and purposeful worship, educational, and cultural programs at The Temple. There is much for us to remember in sadness, and also a great deal to appreciate and celebrate. In this vibrant community of ours, we will neither forget nor lift our arms in despair. We must and shall continue to forge ahead in 5780, praying, learning, and working to enhance meaning and goodness for us, our loved ones, our friends, and our neighbors. May we find strength together, and proceed from strength to strength.

With warm regards and all good wishes,
Rabbi Jonathan Cohen
WE ARE OFF TO ANOTHER SCHOOL YEAR WITH A LOT OF EXCITEMENT!

In August, all the teachers of Temple Learning Center (including the Ganon Gil teachers and the Madrichim) kicked off staff orientation with dinner and an evening of learning. We talked about the WHY. What is the WHY when we are celebrating holidays, learning experiences, communicating with families and other things? According to Simon Sinek, “Why” is the core belief of any organization, why it exists. Once you identify your “Why,” you will know what to do and how to do it. The URJ’s Vice President and Director of Strengthening Congregations Amy Asin’s concept of Relationship - Meaning - Impact takes the WHY and she adds on; Relationship - Meaning - Impact. In Amy’s article, Change Your Congregational Culture by Changing How You Measure Success, she states, “We need not discard the old measures of success, but in order to stay relevant and to succeed, we must also incorporate and focus on these new measures.” We used this as our platform for learning with our teaching staff.

Ganon Gil is expanding. You may ask “WHY” we have opened a second infant room? This room will be for older infants, and the other infant room will be for younger infants. WHY the expansion? The expansion not only better meets the needs of the children in a developmental manner; we are also meeting the needs of the community by increasing the enrollment spaces.

This year at The Temple, we have six JAMmie Havdalah experiences. Have your child(ren) come in their pajamas, celebrate Havdalah and eat a pizza dinner. Throughout the year, we will be creating different ritual objects for you to create their own Havdalah set. The evening is from 5:30 to 7:00 PM and it is FREE! The first one was September 14 and the other dates are November 9, January 11, March 28 and June 6.

L’Shalom,

OUR 2019-2020 ALL IN CAMPAIGN IS UNDERWAY!

As the New Year begins, we want to express our heartfelt thanks for your generous contributions to maintain the health and well-being of our congregation. Your steadfast support of the All In Annual Campaign demonstrates your commitment to keeping The Temple vibrant and strong, both financially and spiritually. The Temple connects us to our own place in the world, our place in history and our place in the life of our community.

How has The Temple been able to maintain its position as an inspiring, strong and unique congregation for more than 160 years?

It’s YOU, your family and friends. It’s our clergy, our worship, educational and cultural opportunities. It’s the connections and the relationships that make us who we are, building on the past and present for our future.

Your gift to the All In Annual Campaign enables The Temple to remain fiscally sound and maintain and improve the programs, education and events that you have come to appreciate and expect. This year, our campaign goal is $400,000. Do you know that The Temple’s annual operating costs are roughly $3,691 per membership while standard dues with security fee are $2,308 per membership? Your gift helps bridge this gap. It also allows The Temple to fulfill its mission of never turning away a member because of an inability to pay our standard dues.

We thank you again for your support and appreciate your generosity as you consider your 2019-2020 gift.

With gratitude and best wishes for a happy, healthy, sweet and peaceful New Year.
Rachel Feinleib and Dina Rock, 2019-20 All In Co-Chairs

KESHER - BUILDING SPECIAL RELATIONSHIPS

Meet Marc and Matt who have forged a special friendship through The Temple’s Kesher Program. Kesher is a program in which younger members (adults, kids, families) of our congregation personally bring smiles and goodie bags to senior Temple members who are not able to get out and join us at The Temple. This gives them The Temple connection that they still want and enjoy. Matt, with the help of his chauffeur mom, has visited with Marc during the past year, before the major Jewish holidays and once or twice during the summer. Matt really enjoys the awesome stories that Marc tells! For more information about The Kesher Program and Kesher with Kids, contact Faith Schaffer at FS321@aol.com.

VOLUNTEERS NEEDED FOR KESHER CHANUKAH ON DECEMBER 8TH!
Please contact Faith Schaffer at FS321@aol.com to volunteer.
